Faculty of Arts

Re: 2021/2022 Thank a Prof Program

Dear Prof. Clairmont,

Congratulations! A student has thanked you in our Thank a Prof program. Teaching and Learning Services (TLS) developed this initiative to provide students with a way to thank professors who have made a difference, big or small, in their lives.

You were thanked for the following reasons:

Throughout the sudden decisions made by the university with regards to course delivery as a result of covid, Sarah was by far the most adaptive and nicest teacher during the process. She was always understanding of the situation and did not let it dull her enthusiasm even when having to wake up early to lecture. It was genuinely one of the best class environments I have been in and cannot recommend her enough as a teacher.

Please feel free to share this student's recognition of the impact of your teaching with your Chair, Director, and/or Dean. Please note that we will be posting the names of all professors recognized on the [Thank a Prof website](#). If you prefer that your name not appear, please email tls@mcgill.ca by **June 10, 2022**.

Let me take this opportunity to thank you for your ongoing contributions to student learning at McGill. If you have any questions regarding teaching and learning or about the Thank a Prof program, please do not hesitate to contact us at tls@mcgill.ca or visit the [Teaching and Learning Services website](#).

Once again, congratulations on making a difference.

Best regards,

Laura Winer
Director
